SECRETARY-GENERAL'S VISIT TO KUWAIT, HUNGARY AND DEMOCRATIC GERMANY

NECESSARY FOR UNIFYING STRUGGLE RELATIONS, CO-OPERATION AND

PEACE

ADEN - Oct. 31 - ANA -

AL-THAWRI, organ of the Central Committee of the Yemeni Socialist Party has said that the visits to be paid by Br. Ali Nasser Muhammad, Central Committee Secretary-General, Peoples' Supreme Assembly Presidium Chairman and Prime Minister, to Kuwait, Hungary and Democratic Germany and Bulgaria are a condition of our country's political move aimed at strengthening and deepening the bonds of the common struggle with the forces of progress in the world in a manner that serves the national interests of our people and contributes to the consolidation of the struggle capabilities of the forces of the Arab national liberation movement in its struggle for liberation and progress.

In its issue of today the newspaper added that the visits will constitute a new addition to the edifice of friendship and co-operation between our country and the states of the socialist community and a contribution to the deepening of such proletarian internationalist solidarity through a lively practice of the Revolution's noble values.

AL-THAWRI clarified that Br. Ali Nasser Muhammad's visit to the fraternal State of Kuwait is within the framework of work for creating an Arab stand that is hostile to the Camp David agreements and the offensive policy based on interference in the domestic affairs of our Arab peoples. The visit also aims at strengthening co-operation between the states of the region for the sake of the security and stability of its peoples and is of significance represented by the concern for consolidating fraternal relations that link the two fraternal countries. It also is an embodiment of the existing spirit of co-operation based on mutual respect and serving the national interests of the two peoples.

AL-THAWRI added that the Secretary-General's visit to Peoples' Hungary, Democratic Germany and Peoples' Bulgaria constitutes a continuation of the course of firm struggle alliance between our country and the states of the socialist community and consolidation of the manifestations of political, economic and cultural co-operation between our country and these countries. This is considered to be an important factor in strengthening and developing the experience of progressive construction in our country and provides the necessary potentials for raising the living standards of the toiling masses. The visits also provide the opportunity for consolidating common stands as regards a number of burning issues of the international situation.
